

Steve's & Jill's 2016 Travels

Where, when, what & how

And of course

Images!!

Steve's (& Jill's) 2016 Travels

- February – Georgia & Florida
- April – The Pacific
- June - England
- July - Iceland
- September – Cape Breton Island
- 31,000 miles of traveling – whew!!
- Over 5,000 Images!

Planning

- Where am I going?
- Type of location – Urban or Landscape/Nature
- How am I getting there?
 - Driving
 - Flying
 - Etc
- What equipment am I going to take with me?

Web Based Planning Resources

- ShotHotSpot
 - Collates Flickr and Panoramia Images
- Road Trippers
 - Points of Interest Along a Route (North America)
- Google Maps
 - User Loaded Images
- The Photographer's Ephemeris
 - Location Based Sun and Moon Data

Equipment List

- Canon D6 DSLR body, batteries, charger and SD cards
 - Various lenses (Have been renting lenses from Borrowlenses)
- Canon EOS M camera, batteries, charger, and SD cards
 - 18-55mm & 18-200mm lenses
- Canon G15 camera, batteries, charger and SD cards
- Olympus TG 850 Waterproof camera, batteries, charger and SD cards
- Speedlite Flash & Off Camera Cable
- Remote camera release
- Camera bags
- Tripod or Monopod
- Laptop or Tablet
- Manuals loaded onto Dropbox, Tablet and Phone!

End of Day Workflow

- Download all images to Tablet or Laptop
 - Don't delete images from cards!
- Delete the obviously bad images
- Pick the best images of the day and edit using Lightroom
- Write blog so I don't forget the where and what
- Publish blog entry, post best images to Facebook and then go to sleep!
